**General Comments**

I was monitoring bolt tensioning on PP 26 S - PP 40 S for 5 hours. I work in the office 0600-0700, preparation for cat walk field data collection. From 1200-1730, I was monitoring contractor set up for North Cable, Field Office, email diary, data verifying, copying data sheet. Contractor Load Transfer crew was: Mike Draper (Foreman), Naricizo Gomez, Aaron David, and T. Booker.
